

# Life is Opportunity.

Life begins at conception.

Your *soul* is your *life essence*.

Your soul can become immortal.  
After death, your soul can return  
to life in another body.

*Reincarnation* gives your  
*soul* the opportunity to evolve  
by learning the lessons of love  
through many different life  
experiences and by balancing  
your *karma*—paying your debts  
to anyone you've wronged.

Abortion denies a soul  
the *opportunity*  
to be in the right place  
at the right time  
with the right people.

Abortion denies a *soul* its right  
to evolve and fulfill its divine *plan*.
