

# Life is Opportunity.

Life begins at conception.

Your **soul** is your **life essence**.

Your soul can become immortal.  
After death, your soul can return  
to life in another body.

**Reincarnation** gives your  
**soul** the opportunity to evolve  
by learning the lessons of love  
through many different life  
experiences and by balancing  
your **karma**—paying your debts  
to anyone you've wronged.

Abortion denies a soul  
the **opportunity**  
to be in the right place  
at the right time  
with the right people.

Abortion denies a **soul** its right  
to evolve and fulfill its divine **plan**.
